IMPORTANT SHUTTLE INFORMATION:

All shuttles depart from and return to the Gazebo parking lot. All shuttles have designated drop-off and pick-up areas at the Airport, AMTRAK, and Greyhound stations. No other drop-off or pick-up locations are permitted.

This service may not accommodate all individual travel schedules; however, it has been designed to provide assistance to as many students as possible. Students must be sure to allow ample time for check-in and boarding at the Airport, AMTRAK, or the Greyhound stations. Students should also be mindful of changes in transportation schedules due to weather and have alternative transportation arrangements in mind.

If a student misses the shuttle at its designated drop-off and/or pick-up location, he/she is responsible for finding his/her own transportation to and/or from campus.

Students are asked to notify the Office of Student Life if they need to cancel or change their shuttle reservations. The Office of Student Life will confirm all shuttle reservations prior to the scheduled departure from campus.
